

ANNEX 2

The chain

Materials and order delivery:

- 18 sheets of paper: 3 sheets for Group 1, 5 sheets for Group 2 and 10 sheets for the Group 3
- 8 different color pencils: 5 colors for Group 1, 2 colors for Group 2 and 1 color for Group 3
- 3 pencils: one per group
- 2 scissors: only for Group 1 and Group 2
- 2 cellophanes: only for Group 1 and Group 2
- 1 rules: Group 1
- 1 pen: Group 1

It begins handing out each material as shown in the list, by groups, always begins by Group 1 (so as there are no materials for everyone, many of these materials will never come to group 3).

The sheets of paper represent natural resources; therefore, the 3 group is the one who has more leaves.

Other materials represent the technology, which will not reach the 3 group.
